

Design Your Own Custom Ceremony

*Rev. Janet comes to any location—
from mountain top, to backyard, to club,
to church—to perform your ceremony.*

You design the content of your own ceremony. Rev. Janet has divided the commitment or wedding service into its various sections with many options of wording for each section from which to select. If you prefer, you can choose to remove any section(s) you don't wish to have included, or add an entirely new section of some type. You also have the option of revising the wording of any selection, so that every word said at your ceremony is something you want to hear about your relationship—not just words that have been chosen for you.

Your choices are then used to create a custom-made booklet that is used in the actual ceremony. This booklet then becomes Rev. Janet's gift to you so that you always have a copy of your service.

Fee: \$350

*A \$100 non-refundable
deposit is required*

Balance due 14 days prior to ceremony
